

Hôpital Notre-Dame Hospital is seeking

Three Family Practitioners

LOCATION: Hearst , ONTARIO CANADA

Notre-Dame Hospital has excellent opportunities for three family physicians to join the four physicians currently practicing in group practices. Family physicians serve a population base of 10,000 persons.

What do we have to offer?

- Two established medical group practices.
- Excellent earning potential between \$350,000 and \$450,000 /year– Emergency on-call MOH funding.
- Group of existing physicians offers balanced lifestyle opportunity.
- 44-bed hospital – 64-bed Nursing Home adjacent to the hospital.
- Hospital practice opportunities include general medicine, surgery, active emergency department, obstetrics, long-term care, OBSP and chemotherapy.
- PAC's linked with Timmins and District Hospital, visiting radiologist.
- Comprehensive diagnostic services including lab, x-ray, mammography, ultrasound, ECG, respiratory, stress testing and holter monitoring.
- Visiting consultants in cardiology, ENT, oncology, pediatrics, radiology. Locum: Emergency physicians, surgeons.
- 270 km. to district facility.
- Family oriented community with French and English elementary and secondary schools, college, university. (www.hearst.ca)
- Community and financial incentives available.
