Dear Ms. F. Dallaire:

**Re: Laboratory Accreditation Certificate
Notre-Dame Hospital
Laboratory code: 0378
Laboratory Licence: 4170**

An accreditation assessment visit was conducted in the above laboratory on **2015-04-20 to 2015-04-21**. The purpose of this accreditation assessment visit was to determine if the laboratory conforms to the explicit requirements (Version 6.0, December 2013).

The report of that assessment was sent on **2015-04-29**. Your corrective action report was received in a timely manner on 2015-07-20 and was reviewed and approved.

I am pleased to inform you that your certificate of accreditation is enclosed, and the applicable scope of accreditation is posted to www.iqmh.org. Your certificate will expire on **2019-09-18**, please display it prominently.

Accreditation is valid for your scope of testing provided that your laboratory continues to meet explicit requirements based on:

- ISO 15189:2012(E), *Medical Laboratories-Requirements for Quality and Competence*
- ISO 15190:2003(E), *Medical Laboratories-Requirements for Safety*
- ISO 22870:2006(E), *Point-of-care Testing (POCT)-Requirements for Quality and Competence* (where relevant)
- CSA Standard Z902-10, *Blood and Blood Components, February 2010* (where relevant)

A report that contains your assessment history and the expected date for your next assessment is posted to QView™ along with a copy of this letter.

Yours sincerely,

Linda Crawford
