Dear Mrs. L.G. Morin,

**Re: Accreditation Certificate
Notre-Dame Hospital
Laboratory
Facility code: 0378
Licence: 4170**

An accreditation assessment visit was conducted in the above facility on **2019-04-09 to 2019-04-10**.

The purpose of this accreditation assessment visit was to determine if your service conforms to the explicit requirements (Version 7.1, April 2017).

The report of that assessment was sent on 2019-04-22. Your corrective action report was received in a timely manner on 2019-06-14 and was reviewed and approved.

I am pleased to inform you that your certificate of accreditation is enclosed, and the applicable scope of accreditation is posted to www.igmh.org. Your certificate will expire on **2023-09-07**. Please display it prominently.

Accreditation is valid for your scope of testing provided that your service continues to meet explicit requirements based on:

- ISO 15189:2012(E), *Medical Laboratories-Requirements for Quality and Competence*,
- ISO 15190:2003(E), *Medical Laboratories-Requirements for Safety*,
- ISO 22870:2016(E), *Point-of-care Testing (POCT)-Requirements for Quality and Competence (where relevant)*,
- CSA Standard Z902-15, *Blood and Blood Components, December 2015 (where relevant)*.

We note that feedback was submitted by individuals within your organization, and thank-you for helping to improve our processes.

Your Assessment Schedule is posted in QView™ and contains details about your assessments, including the expected date for your next assessment activity.

Yours sincerely,

Janice Nolan
